specialist aphasia support

How does it work?

Members pay an annual subscription of £10, which buys one share.

Each share is allocated a number that is entered in the quarterly draws and the super bonus draw in December.

You may, of course, buy more than one share.

Half of your subscription goes to Dyscover, with the rest distributed as prizes in the draws.

What is Dyscover?

We are a specialist Surrey-based charity offering long-term support, hope and opportunity to people who have aphasia, a communication disability caused by stroke or other brain injury.

Our team of Speech and Language Therapists lead a comprehensive programme of conversation groups, short courses and extra activities. Family members can find understanding, encouragement and information.
