

Job Vacancy - Director of Service

25 hrs per week, based in Leatherhead, Surrey

Band 8a Equivalent

This is a rare opportunity to take on the clinical lead role in a well established and respected third sector specialist aphasia support organisation. You'd be managing a dedicated, innovative and experienced team of SLTs and SLTAs, supporting, developing and expanding our in-person and online services for groups of people with aphasia. We can offer some flexibility for the right candidate.

As recipients of this year's Robin Tavistock Award, we are committed to building on our 27 years of expertise in supporting, enabling and empowering people with post stroke and Primary Progressive Aphasia.
