

24th March 2020

Hello from the Dyscover team,

We hope you and your family are all well.

Staff, trustees, volunteers and members are all now **staying at home** – this is the **safest place** for us to be.

However, we want to **reassure you** that **Dyscover is still working.**

- We have computer systems that mean **we can work from home.**
- We have staff who are **clever, flexible and determined** to find **new ways to keep in touch**, and support you.
- They have all been **working hard.**

The situation is **changing all the time**

Like you, we are watching the **nightly news updates.**
We are making plans week by week.

Keeping in touch with Dyscover

After Easter we aim to contact all members on a weekly basis.
One of our **staff**, or a Dyscover **volunteer** will **phone you**,
Or, if you are using **WhatsApp**, include you in a **video call.**

If you have any **concerns or questions**, please send an email

rtownsend@dyscover.org.uk

This 'new life' is **different and difficult.** Like all charities and businesses, **Dyscover's finances** will be affected.
Everyone is **learning to adapt** and we are staying positive. **Let's help you to stay positive too.**

With best wishes

Rosemary, Alice, Suzanne, Rhona, Caroline, Tricia, Liz, Gayle and Helena
