

## **SLT led services for people living with Primary Progressive Aphasia**

All courses and workshops currently run from our Surrey base KT20 7ST.

We are open to the idea of running the early stage workshop and / or the 6 week course at an alternative location – please contact us to discuss.

### **Early stage introductory workshop – 2.5 hrs**

- Led by 2 SLTs
- For people with mild PPA, or a recent diagnosis.
- Relatives encouraged to attend – max 12 participants
- Focus on meeting others with similar communication symptoms in a small group environment.
- Structured session - information and practical advice for managing early stage concerns, including how to tell others.
- A fee of £10 per couple is charged

### **6 week couples' course for people with moderate to severe PPA**

- Led by 2 SLTs supported by 2 volunteers
- Max 6 couples
- 6 x 2hr sessions spaced over 3 months
- Focus on practical conversation therapy & peer support
- A fee of £60 per couple is charged for the course .

### **2 monthly follow up sessions**

***offered at Dyscover's base for people who have completed the couples' course.***

- Led by a SLT
- Offer the security of ongoing contact
- Focus on problem solving, signposting and peer support.
